Dear Parents/Guardians of District #302 Students,

Beginning this month, students, teachers and parents across Illinois will have an opportunity to participate in the sixth annual statewide Illinois 5Essentials Survey. This survey is designed to generate a detailed picture of the inner workings of our school. As a parent, this opportunity will allow you to share your thoughts on the important elements of school effectiveness.

On behalf of the Illinois State Board of Education, the Illinois 5Essentials Survey will be administered online by UChicago Impact at the University of Chicago. The survey gathers data related to five indicators that can predict important student outcomes, including improved attendance and larger test score gains. These five indicators that affect and predict school success are:

- Effective Leaders
- Collaborative Teachers
- Involved Families
- Supportive Environments
- Ambitious Instruction

St. Anne Community High School has chosen to provide the optional 5Essentials parent survey. If at least 20 percent of our parents complete this survey, a parent supplement will be generated. The parent data will not be reported on the State Report Card.

The Illinois 5Essentials Survey is open now through January 18, 2018. To take the survey please visit <https://survey.5-essentials.org/Illinois/> and select the appropriate survey to begin.

For more information about the Illinois 5Essentials Survey, or to view previous years' Reports, please visit <https://illinois.5-essentials.org>. If you have any questions or concerns, please contact 5Essentials Client Services at 1-866-440-1874 or 5essentials@uchicago.edu.

Sincerely,
Ramie Kolitwenzew
